

BRIDGE ACROSS THE KENTUCKY RIVER.

FEBRUARY 19, 1889.—Committed to the Committee of the Whole House and ordered to be printed.

Mr. CRISP, from the Committee on Commerce, submitted the following

REPORT:

[To accompany bill H. R. 12543.]

The Committee on Commerce, to whom was referred the bill (H. R. 12543) to authorize the Kentucky Union Railway Company to construct a bridge across the Kentucky River, have had the same under consideration and beg leave to report it back with amendments.

The provisions of the bill have received the sanction of the Chief of Engineers and the interests of navigation have been safely guarded against detriment by the construction of said bridge. Your committee recommend its passage in the amended form.
